

CONCESSIONS
SUIT MADERORebel Calls For Universal
Peace in Mexico

EXPECTS TO BE PRESIDENT

Francisco I. Madero, Jr., Is Already Out-
lining His Plans—President Diaz
Will Resign Before June 1,
He Says.

Juarez, Mexico, May 18.—Francisco I. Madero, Jr., to-day announced the news from Mexico City was so entirely satisfactory to him that it might be universally proclaimed that peace throughout Mexico is now an accomplished fact. Madero will accept the offer to go to Mexico City to act as chief adviser of Minister of Foreign Relations De La Barra, who will become president at interim. Diaz' announcement of his intention to resign is accepted with absolute faith by the rebels.

Concerning the reorganization of the Mexican army, Senor Madero declared that all convicts hereafter will be eliminated and the army will be composed entirely of volunteers. Regarding the future policy of the Madero government toward foreign capital in Mexico, Madero said he and the cabinet would continue to encourage American investments, but a vigorous prohibition would be made against trusts of all kinds.

General Armistice in Effect.
El Paso, Tex., May 18.—At 11 o'clock last night Judge Caraball received instruction from Mexico City to sign the general armistice which provisional President Madero already had signed earlier in the day. A general armistice of five days is now in effect throughout Mexico.

Mexico City, May 18.—On receipt of official advice from Judge Caraball that the armistice had been signed, the government last night sent to every city and town which could be reached by telegraph, a bulletin announcing the fact. Press despatches state that in almost every case, the news was received with rejoicing.

DIAZ TO RESIGN
BEFORE JUNE 1De La Barra Will Become President Ad-
Interim—Mexican Government Com-
promises With the Rebels.

Mexico City, May 18.—President Diaz and Vice President Corral will resign before June 1 and Minister of Foreign Relations De La Barra will become president at interim, according to official announcement made yesterday. Francisco I. Madero, Jr., the revolutionary leader, will be called to Mexico City to act as De La Barra's chief adviser and to serve as the greatest guarantee possible that every pledge made by the government to end the revolution will be carried out. As viewed by the public, it will be virtually a joint presidency, pending the calling of a new presidential election.

The cabinet will be reorganized. The minister of war will be named by De La Barra. The foreign office will be in charge of a sub-secretary, named by De La Barra and Madero acting jointly.

A new election will be called within six months and political amnesty will be recommended to the chamber of deputies.

The foregoing are the conditions on which President Diaz will compromise with the rebels. Virtually they are admitted in high quarters to be a complete surrender to the revolutionists.

The resignation of Diaz and the "joint regency" of De La Barra and Madero are said to constitute a guarantee so complete that the original insurrection demand for 14 governors no longer need be considered.

THE AUTO SKIDDED

Throwing Out Johnson High School
Baseball Players.

Morrisville, May 18.—A party of five young men from Johnson, who had been to Barre to play ball Tuesday, while returning in the evening in an automobile belonging to Mr. Holmes of Johnson, met with an accident near the Malvern farm. The machine "skidded" breaking an axle and smashing one wheel, overturning into the ditch. One young man received an injury to his leg, and another received a cut over the eye. They were given quarters for the night at Malvern farm and returned to Johnson early Wednesday morning in autos sent after them.

An International Social.

The Y. P. S. C. E. of the First Baptist church will hold an international social in the parlors of the church Friday evening, May 19 at 8 p. m.

ASKED TO END BOYCOTTS.

Reclamations Again Mark Trial of
Organization Enforcing It.

New York, May 18.—President Taft was asked yesterday afternoon to end the boycott for all time of seeking the punishment or dissolution of organizations enforcing it. The petitioners were the National Association of Manufacturers and the American Federation of Labor was declared to be "presently prosecuting and intending to further prosecute such boycotts." The association also seeks to have the government punish or dissolve organizations which adopt force or intimidation to compel manufacturers to accede to their demands.

The resolution adopted by the association requests the president to investigate its alleged grievance through the department of justice.

A. L. Pierce and L. W. Rowell returned home last night from a fishing trip to Brookfield. Mr. Pierce came away from the brook with twenty-five good sized trout and his companion nearly equalled the catch.

The Barre Athletic club will line up against the Tenth Cavalry team from Fort Ethan Allen Saturday afternoon at Ranger's field. The game will be called at 3 o'clock and will be the second of a series between the two teams. The soldiers took the first game at the fort last Sunday by the close score of 5 to 4. Either Gabbelloni or Scampini will do the twirling for the locals, with Fowle on the receiving end.

A number of the Central Vermont employees in this city were in Montpelier last evening to attend a school of instruction in the standard rules of railroad which have been added to and changed to some extent and go into effect June 18. The school was conducted by John Mann of St. Albans. Several of these sessions will be held at Montpelier prior to the time the rules go into effect.

Arrivals at the City Hotel yesterday were registered as follows: B. B. Meror, Boston; E. M. Hibbard, Brockton, Mass.; F. H. Millard, Limerick, Me.; E. H. Mourse, Cambridge, Mass.; E. J. Harvey, Burlington; nine members university of Vermont second team, Burlington.

The regular monthly meeting of the Methodist brotherhood, held at the church last evening, was attended by nearly all of the eighty members comprising the organization. The matter of continuing the gymnasium work in the old church on Church street was favorably considered, and plans were formed for enlarging the scope of the work next year. Additional apparatus will be installed and it is even hoped that a physical director may be secured to take charge of the gymnasium. John Bishop was elected president and Emory Newhall, secretary, of a committee to raise funds for this purpose. Other sub-committees will be appointed by the body. At the close of the business session, ice cream and cake were served to the members.

MAY LOSE \$200,000.

Says Pres. Thomas of Middlebury College
In Endowment Statement.

Middlebury May 18.—President John M. Thomas of Middlebury college has just issued a statement to the alumni and alumnae in regard to the present standing of the \$200,000 endowment fund. President Thomas says that by December 31, 1911, the balance of the fund for the endowment and the completion of the gymnasium must be on hand or subscribed by responsible persons in order that the Carnegie fund of \$50,000 from the general education board and \$25,000 other contingent promises may be realized. The exact balance needed to make complete the fund is \$14,200.00, which is a greater sum than the entire endowment of the college less than 25 years ago.

"Two hundred thousand dollars lost to Middlebury," President Thomas continues, "that is the word that will go out December 31 unless we can find somewhere \$14,200 before that date." The subscriptions must be made before December 31 and may be payable within three years in order to get the \$50,000 from the general education board. Mr. Carnegie has sent a communication to the president in which he says he will be glad to furnish a subscription of \$20,000 towards this project when all of the rest of the fund has been paid in and expended for the object in view. "Now says President Thomas, 'I am ambitious to complete this fund before the approaching commencement. I want to finish my third year for Middlebury with the joy of knowing that \$200,000 has been secured for the college in that time, the Pearson fund of \$100,000 and the general education board fund of \$200,000. Just the moment that I can testify that it is all subscribed payments on the conditional pledges will begin.' Commencement day this year will come on June 21, and the president completes his announcement with the statement that on June 20 the foundation for the McCullough gymnasium will be laid and on the same day the formal opening of the Pearson hall will take place. It is expected that a very large number of the most prominent men and women in Vermont will be present on those occasions.

ONLY SHORT STOP

By Glidden Tourists in Montpelier Next
Month.

Secretary S. S. Ballard of the Vermont Automobile association has received word that the Glidden tourists will be in Montpelier about noon on June 27, and that only a short stop will be made at that place, contrary to the previous plans to have a hill climbing contest there. The hill climbing contest will be held instead in Worcester, Mass., and the tourists will make only two night stops in Vermont, one at Springfield on the 26th and at Burlington on the 27th.

OVERSEER OF POOR ACCOUNT.

Amount Reported By Overseer Shepard
Was for Month and a Half.

In the statement of the overseer of the poor department, as reported in yesterday's paper, the total amount of which Overseer W. F. Shepard reported, \$985.86, was for the entire month of April and the first half of May, instead of April alone as printed. Of this amount a trifling \$400 was in bills approved by Mr. Shepard's predecessor, O. D. Shurtleff. This statement is made in justice to Overseer Shepard, who does not care to have the citizens think he is "peddling" the city's money.

MAKE FAST PROCESS
IN MURDER CASEState Winds Up Evidence In Trial of
Frank Boyd, Charged With Kill-
ing John Potter.

Newfane, May 18.—The state nearly closed its evidence last night in the case of Frank Boyd of Wilmington, charged with the murder of John Potter. Walter Boyd a nephew testified to finding Potter on the floor of the sugar house and assisting him to walk to the house where he died a few hours later. Wilson Lovell was used as a witness later to impeach Walter Boyd's testimony on the ground that Walter told a neighbor he had to carry Potter from the sugar house to the house. Eli H. Porter and William Robinson, two of the selectmen of Wilmington who viewed the premises soon after the tragedy testified to conditions they found at the Boyd homestead and to the position of the sugar tools.

Their evidence was practically corroborated by Arthur J. Lyons, who was in charge of the premises the following day. The clothing of Potter was admitted in evidence and the shirt was blood stained around the neck. Dr. B. H. Stone of Burlington testified to the injury of the brain by a piece of bone from the skull penetrating it.

ALLEGED MURDERER IN ASYLUM.

Arthur Bean Brought from Maidstone to
Waterbury for Observation.

Arthur H. Bean, the 19-year-old youth, who is charged with killing his mother and sister in Maidstone last March was yesterday taken to the state hospital for the insane at Waterbury for observation as to his sanity. He was handcuffed to his attendant, but seemed little observant of his surroundings or the stares of onlookers. He shows no trace of worry or remorse, and to look upon him one gets the opinion that he is under the average in mental capacity.

It will be remembered that Bean went to a neighbor's house and told the occupants that his mother and sister had been killed in their home. Investigation proved his statement to be true, but circumstances also pointed to him as the perpetrator of the crime and he was indicted and ordered to the hospital for observation. He is said to have been drinking a mixture of burnt sugar and alcohol at the time of the crime and that he was not wholly himself. The only other occupant of the house was the boy's grandfather, John Sweet, aged 103 years, who has since died.

RUTLAND COURT ADJOURNS.

Several Announcements at Close of
March Term.

Rutland, May 18.—The March term of Rutland county court, which opened March 14, was adjourned yesterday at the order of Judge W. H. Taylor. As is usual at the closing of the term, a number of important decisions were given out.

In the contested divorce case of Mrs. Jennie Hunter of Rutland vs. Thomas H. Hunter of Castleton, in which there was a three days' hearing, a bill was granted for intolerable severity and the petitioner given alimony of \$2,500. A divorce was granted Sarah A. Barker of this city from Charles E. Barker on the ground of refusal to support. A bill was allowed for desertion in the case of A. H. Pratt vs. Hannah Pratt of Rutland. In the Pittsfield case, Alice M. Dwire vs. Harry C. Dwire, which attracted a great deal of attention because of the fact that the contestants had hardly reached the twenties, a bill was refused.

The court also refused to grant the bill in the case of Maud Davis vs. Owen Davis of Hubbardston.

A judgment of \$317.63 was given the plaintiff in the case of John J. Lalor of this city vs. William C. Mound of Castleton, in which it was claimed that the furnishings of the Brandon inn at Brandon were not as represented by the inventory and the property was transferred.

The motion for a new trial was overruled in the case of Sherman P. Harlow vs. Augusto Duri, both of Fair Haven, in which a jury gave the plaintiff \$10 damages as the outgrowth of an automobile collision. The court also overruled the motion for full costs in the case of Harry V. Clay, a clerk, vs. Justus R. Hoadley, a well known insurance man, both of Rutland. This is the case in which Mr. Hoadley was sued on the basis that he assaulted Mr. Clay during the merchants' carnival last fall. A jury gave the plaintiff one cent damages. The overruling of the motion for costs left the plaintiff merely the one cent damage and one cent costs and rather than pay the term fees he discontinued the case.

VERMONT COLONIAL DAMES.

Annual Meeting of Vermont Society
Held at Bennington Yesterday.

Bennington, May 18.—The Vermont society of Colonial Dames of America held its 12th annual meeting here yesterday afternoon at the residence of Mrs. H. S. Bingham. Members were present from Bennington, Lyndonville, St. Johnsbury, Burlington, Brattleboro, Brich Cliff Manor, N. Y., and Northampton, Mass. The treasurer's report showed the society had contributed \$100 to the George Washington memorial fund during the last year.

MAN OF WIDE EXPERIENCE

He Is at Present at the Head of Miami
University in Ohio, Is a Compar-
atively Young Man, Well Fit-
ted for Important Position.

Burlington, May 18.—Dr. Guy Potter Benton, president of Miami university, Oxford, Ohio, was to-day elected president of the university of Vermont by the trustees of that institution. Since the death of President M. H. Buckham, which occurred November 29, 1910, Hon. Elias Lyman, one of the trustees, has

been the acting president of the university.

Largely through Mr. Lyman's efforts, President Benton was induced to come to the Vermont university. Since December over 60 names have been presented to the trustees for consideration, including several of the best known educators in the country.

The choice of Dr. Benton will unquestionably be pleasing to the entire alumni. He will bring with him to the university a mature experience in educational life and the record of having been progressive and modern and eminently successful in every position he has held.

Sketch of the New President.

Dr. Guy Potter Benton was born 40 years ago, May 26, 1865, at Kenton, O. He is a son of Daniel W. and Harriet Maria Wharton Benton. His early education was in the public schools of his native town. This was followed by attendance at the Ohio Northern university, Baker university and the Ohio Wesleyan university, with graduate study pursued in history and sociology in the university of Woodstock, Dr. Benton continued his studies in Berlin. He holds the degrees of Bachelor of Arts, Master of Arts, Doctor of Divinity and Doctor of Laws.

When 25 years old Dr. Benton was superintendent of the city schools of Fort Scott, Kansas, which position he held five years. In 1895 and 1896 he was assistant state superintendent of public instruction and secretary of the Kansas board of education.

In 1899 he was appointed president of the Upper Iowa university, holding this position until 1902. In that year he accepted the presidency of Miami university, remaining there to the present time.

Dr. Benton was ordained a clergyman, with membership in the Cincinnati conference of the Methodist Episcopal church. He has been successful as a lecturer and educational lecturer.

That the new president of the university of Vermont is an active man is demonstrated by the many positions he has held. He was president of the Southeastern Kansas Teachers' association, 1892; member of the Kansas state board of education, 1893; secretary of the conference of college presidents and deans, 1902-1903; president of the Ohio college association, 1904; chairman of the committee from the Ohio college association on "An Educational Policy for Ohio," 1904-1911; president of the Ohio conference and college and university presidents and deans, 1906; president of the State Young Men's Christian Association of Ohio, 1900-1910.

In 1910 Dr. Benton was appointed an elector for the hall of fame. He is a member of the Phi Beta Kappa, Tau Kappa Alpha (oratorical) and the Phi Delta Theta societies. He is author of the book entitled, "The Real College."

Last fall Dr. Benton was chosen secretary and treasurer of the National association of State Universities, a highly complimentary position.

The List of Vermont's Presidents.

The university of Vermont was chartered in 1791, the prime mover in the project being Ira Allen, who was also a liberal contributor to the funds. The first class of four members was graduated in 1804, including Jairus Kenton, who was a joint contributor with Washington Irving and J. K. Paulding to the Salmagundi papers.

Since the founding of the university it has had 11 presidents. They were: Rev. Daniel C. Sanders, D. D., 1800 to 1814; Rev. Samuel Austin, D. D., 1815 to 1821; Rev. Daniel Huskell, A. M., 1821 to 1824; Rev. Willard Preston, D. D., 1825 to 1826; Rev. James Marsh, D. D., 1826 to 1835; Rev. John Wheeler, D. D., 1835 to 1849; Rev. Worthington Smith, D. D., 1849 to 1853; Rev. Calvin Pease, D. D., 1853 to 1861; Rev. Joseph Torrey, D. D., 1862 to 1866; James Burrill Angell, LL.D., 1866 to 1871; Melville Henry Buckham, D. D., LL.D., 1871 to 1910.

President Buckham's service was by

far the longest and most

vicious to his extra Vermont State Library

of president, he has

university as professor of Greek, also as

professor of English literature from

1867. He was graduated from the uni-

versity in 1833, after which he served

one year of principal of Lenox academy

in Massachusetts.

As president of the university he ac-

complished much. The period of his

presidency covers the most prosperous

time of the university. During this time

nearly all the existing buildings on the

campus were erected. The most notable

of these are the Billings library, rank-

ing as one of the most beautiful college

library buildings in the country. The

other buildings include Williams science

hall, Converse hall, the engineering

buildings, the medical college, the gym-

nasium, Morrill hall, and three profes-

sors' houses. During this time also large

additions were made to the productive

endowment of the university, including

the half million dollar fund recently

completed, which is ranked as one of

the crown achievements on the entire

side of Dr. Buckham's presidency. This

period was also a period of great

expansion for the university, including

the establishment of agriculture and en-

gineering, the department of commerce

and economics, the department of edu-

cation and the department of home econ-

omies.

At the time of Dr. Buckham's ac-

cession, the graduating class numbered

about a dozen, while the present class

ranges from 60 to 70, not including grad-

uates in medicine.

Dr. Benton, the new president, enters

upon his duties under most auspicious

circumstances. With the completion of

the fund for half a million dollars and

a substantial beginning for another half

million fund, the college finds itself

standing on a sound financial basis.

This with the loyalty and enthusiasm

of the alumni and friends of the insti-

tution, together with the fine record of

Dr. Benton, promise great things for

the university in the near future.

GRANTED A DIVORCE.

Joseph N. Bedard Gets One, and Wife's
Suit Was Dismissed.

In Washington county court late yesterday a divorce was granted to Joseph N. Bedard of Montpelier from Margaret Bedard on the ground of adultery, the co-respondent named being Edward P. Johnson of Montpelier. At the same time, the divorce petition brought by Mrs. Bedard on the ground of intolerable severity and refusal to support was discontinued. In announcing the decision of the court, Judge Miles said he believed the case ought to be investigated by the state's attorney.

Mrs. Bedard's case in the cross-suit was heard first, her father, Leon Perry, a sister, Mrs. Almida Hall of Lyndon, and the petitioner testifying for her side in the refusal to support allegation, and Attorney George N. Wing presenting evidence to show that her husband, Bedard, had always been a good provider. After that Judge Miles dismissed the count of refusal to support.

On the count of intolerable severity, G. W. Luce of the Jangraw barber shop, where Bedard had been employed, testified that Bedard was a hardworking man, industrious and never seen by the witness to be under the influence of liquor.

When Mr. Bedard went on the stand he told about discovering the alleged infidelity of his wife by means of a bottle of medicine, which he marked at various intervals. He said that he suspected nothing till a camping trip to Highgate, where Johnson accompanied them. That fall, he testified, Johnson came to the Bedard house to board after Mrs. Bedard had insisted on it. Later he had his wife watched, and when he accused her she denied it. The witness said Johnson made many presents to Mrs. Bedard, including a gold ring.

Bedard said that January 10, 1910, he left home and went to live elsewhere. Mrs. Emma Smith testified that after Bedard left his wife, Mrs. Bedard went to the home of her parents and later returned to Montpelier, taking a room in the Massena block, next to a room that Johnson was occupying and next to a room occupied by Mrs. Smith. Mrs. Smith said she had often seen the door between Johnson's and Mrs. Bedard's room open and had heard them talking together in Johnson's room at night.

After the testimony in Bedard's behalf was concluded, Mrs. Bedard was again put on the stand, and she denied all allegations made by Mrs. Smith, saying that the door between her room and Johnson's was never open and that she never at any time had had improper relations with Johnson.

Mrs. Clara Fowler, Miss Marion Luce, Floyd W. Hayford, Forest Bruce, Mrs. Gertrude Ferrin, Mrs. Mary White and Bruce McDonald were also called to testify for Bedard. Some of the witnesses who lived near Mrs. Bedard and said they knew nothing unpleasant in their home life. Others said Mrs. Bedard used much profane language about the house and still others that she had called Johnson up on the telephone.
